MR. E. E. WHITE'S SPEECH.—In Mr. E. E. White's speech, in the City Council, on Tuesday night last, he did not say, as reported in the Gazette, that "the idea that the colored people must be prepared by education before they could be elected to office, could not be entertained, for when would such a time arrive?" The correct report of what he did say in the connection in which the quoted remarks are used is as follows:

It has been urged, I believe, that although it may be right and proper that colored men should hold these positions, yet it is not expedient at the present time; the people are not ready for it; some portion of the colored men are not prepared for it; I ask in all earnestness and candor, when will they be better prepared for it? I have heard it stated, that it is feared by some, if the colored men are placed on the night watch, there will be resistance to the law. I ask again, sir, when will there be a fitter time to commence this matter than the present, when we have the militia-power behind the civil power to enforce the law.

IMPROVEMENTS.—The old frame house on Prince street, between Washington and St. Asaph, formerly the residence of the late Chas. McKnight, esq., is in progress of demolition, and the owner of the site, Dr. Klipstein, will have erected thereon, immediately, a handsome double three story brick dwelling for his own occupancy.
Mrs. Esther Brooks has commenced the erection of a handsome dwelling house on the corner of Washington and Prince streets.

DISTURBANCE.—A disturbance was created late last night on the upper end of Duke street, by a violent assault made by a colored man, named Sandy Lewis, upon his wife. He knocked her down with a stick, and injured her severely. Officer Burton, by striking him over the head several times with his revolver, finally succeeded in arresting him, and taking him to the Watch House.

TRIBUTE OF RESPECT.—At a meeting of the employees of the O. & A. M. R. R. held at Lynchburg, on the 26th ult., J. A. Evans in chair, and John M. Farrar, secretary, resolutions of respect to the memory of the late Capt. Wm. B. Taylor were unanimously adopted. The meeting expressed its deepest sympathy with the family of the deceased in their bereavement.

THE STEAMER EXPRESS.—The steamer Express, from Baltimore and the River Landings, arrived up early last night, with a large freight and a full complement of passengers. The accommodations of the Express, and the popularity of her gentlemanly officers are making her one of the favorite boats on the Potomac. Capt. Nickle will accept our thanks for many favors.

FISH.—Some shad and herring are still caught in the gill nets and weirs in the Potomac. They are put on ice as soon as caught, and find a ready sale in the Washington market. The people of this city having had such a surfeit of them during the season just closed, that they don't want to eat any more until next spring.

DESTRUCTION OF A BRIDGE.—On Tuesday night last as a canal boat, loaded with coal was passing by Georgetown, it ran against the foot bridge spanning the canal at the aqueduct, and knocked the entire structure down. This bridge has been in a dilapidated condition for more than a year, and it is a wonder that it was not carried away before.

WATCHMEN SWORN IN.—W. L. Penn and Thomas H. McMillan, the two watchmen elected at the meeting of the City Council, on Tuesday night last, to fill the places of George Williams and Samuel Jefferson, who refused to take the iron clad oath, were sworn into office yesterday evening, and last night entered upon their duties.

WASHINGTON AND ALEXANDRIA RAILROAD. In the Supreme Court of the District of Columbia, in Washington, yesterday, in the case of Davidson vs. Stevens & Phelps, lessors, Judge Carter delivered the opinion of the court, confirming the report of the auditor, allowing \$2,000 to the counsel for the railroad company.

ROUGH WEATHER.—A northeast gale, accompanied with rain, set in last night about dark, and continues up to the present time. The river this morning was very rough, and the canal boats were fearful of venturing out upon the Potomac to discharge their cargoes at the depots of the different coal agencies.

SPECIAL TRAIN.—A special train of cars will be run on the Washington and Alexandria Railroad to-morrow night for the purpose of giving those who wish to visit the places of amusement in Washington an opportunity for gratifying their desires. The cars will leave here at 7 o'clock, and returning, will leave Washington at 12.

BASE BALL.—The Pioneer Club of this city and the Jefferson Club of Washington, were to have played a match game this evening, on the grounds of the latter. Arrangements had been completed for the handsome interment of the Club from this city at the conclusion of the game.

QUALIFIED.—J. T. Webster, J. T. Berry, L. I. O'Neal and William Kane, the four policemen elected by the City Council on Tuesday night last, appeared at the Mayor's Office yesterday, qualified, and entered upon the duties of their office.

TEMPERANCE MEETING.—The Juvenile Temperance Society, organized in this city last week, held a meeting in temperance hall, corner of King and Royal streets, yesterday evening, and increased their membership to fifty.

RADICAL CONVENTION.—To-morrow, June 12, is the day appointed for holding a Radical Convention, in this place, for nominating Radical candidates for the Senate from this Senatorial district.

BATTERY RODGERS.—Yesterday the flag was displayed at half-mast at Battery Rodgers, and minute guns fired during the day, in respect to the memory of the late Ex-President Buchanan.

SUPERINTENDENT OF POOR'S HOUSE.—Wm. Bushby, the newly elected Superintendent of the Poor's House, qualified this morning, and will at once assume the duties of his position.

CORPUS CHRISTI.—The feast of Corpus Christi was celebrated to-day in the Catholic Church.

N. E. STORM.—A heavy N. E. storm set in last night, and continued all night and this morning.

CLAMS are being brought to market for sale. Clams to be good ought to be fresh, white, and of medium size.

RAINBOW.—At sunset yesterday afternoon, a beautiful Rainbow spanned the Eastern sky.

ROASTED COFFEE.—Mr. J. C. Milburn has sent to this office a sample of the coffee he daily roasts at his family grocery store, corner of Royal and Cameron streets, which has been tried and pronounced excellent by those who are fond of the berry.

POLICE REPORT—MAYOR'S OFFICE.—Mrs. Mongrel, for disorderly conduct, was discharged, and costs of the case assessed against the complainant.
Alfred Parker, colored, for maltreating a colored boy last night, near the depot of the O. & A. M. R. R., was fined and discharged.
Magistrates' Office.—Robt. Walker, colored, for maltreating his wife, was held in the sum of \$100 security to keep the peace for six months.

COMMERCIAL.

ALEXANDRIA MARKET, June 11.—The market this morning was quiet. Small sales of Super Flour at \$11. Offerings of Wheat light, with sales of common white and red at 24 1/2. The receipts of Corn were somewhat larger; sales of 275 bushels white at 109; 700 bushels mixed at 105a109—the bulk at the latter figures, and 100 bushels yellow at 108. Rye quiet and quotations without change. Oats in fair demand, with sales at 87 1/2.

VIRGINIA STATE STOCK.—The Baltimore Sun of this morning, says: "There was a better feeling as regards Virginia State securities in the market yesterday, growing out of a more correct understanding of the status of the Virginia State debt. Virginia bonds recovered in New York about one per cent. the x-coupon 6s closing at 55 1/2, and new 6s at 54 1/2. The decision in the money market to pay the interest on the debt of the State is caused by expenditure of the State funds by the Radical faction. As regards the State debt, the total is \$44,000,000, but this is represented by interest in railroads amounting to \$17,563,294, and \$10,000,000 in the James River and Kanawha Canal, making a total of \$27,563,294, and if West Virginia assumes one-third of the whole debt as her share, it will leave less than \$30,000,000 as the debt proper of Virginia represented by the railroad and canal interest, enumerated, and in round numbers about \$28,000,000. The exhibit is favorable, and under proper management the bonds of Virginia will pay their interest as punctually, and rank as high as those of Tennessee and North Carolina."

TELEGRAPH NEWS.

Special Dispatches to the Gazette.

Assassination.

NEW YORK, June 11.—The Herald's London dispatch of yesterday says that telegrams from Serbia state that the reigning Prince Muel Obrenovitch, when walking in the park in Belgrade, this evening, was shot down. His assassin was one of three men, who were all armed with revolvers.

Belgrade was convulsed with excitement, and the communication of the news outside of the walls was likely to agitate the population on the right banks of the Danube, and disturb the peace of the principality.

WASHINGTON, June 11.—It has been raining all day, and telegraphic communication with New York is interrupted.

The Council meets this evening, at 5 o'clock, the Conservatives having a quorum—when it is thought that Col. Jas. O'Beirne will be chosen Mayor ad interim.
